## Rate structure

**Monthly Meter fee \$92.00 (No water use)**

### Water Conservation Block Rates *(see below)*

1-3,000 – gallons	= \$7.00 per thousand gallons
3,001 – 15,000 gallons	= \$8.50 per thousand gallons
15,001 – 25,000 gallons	= \$9.50 per thousand gallons
25,001 – 60,000 gallons	= 12.50 per thousand gallons
60,001 and over	=14.50 per thousand gallons

Master Metered services will be billed by Department Analysis using Equivalent Residential Connection (ERC) Equivalency factors.

\*\*\*A monthly meter fee will be charged to customer's account regardless of water use. Even if the customer has not connected their line to the meter.
